DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/29/2008 and 11/13/2008 has been entered.

Allowable Subject Matter

2. Claim 30-32, 46-51 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 30, the prior art of record fails to teach or fairly suggest the combination of all limitations of claim 30 (emphasis highlighted) that includes "a structure that fits within a pocket-sized wallet, wherein integrated in the structure are: a magnetic strip that includes credit card information, wherein the magnetic strip is operable to be swiped through a credit card reader; an electronic display capable of displaying digital images; and processing circuitry that is operable to display on the electronic display one or more user-provided digital images, wherein the processing circuitry is coupled to the electronic display; and a connector component that is operable to couple the photo album to a user device, wherein: the user device includes a second display component

that is separate from the electronic display of the photo album; and the user-provided digital images are downloaded from the user device.”

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
